

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification, dated 17th October 1933.

SALE OF HEATING AND COOKING APPARATUS AND APPLIANCES.

Sealed tenders for the purchase of the following Electrical Heating and Cooking apparatus and appliances will be received in the Office of the undersigned up to 2 P.M. of 24th November 1933.

2. The materials will be available for inspection at the Electrical Laboratory, Chief Electrical Engineer's Office, Bangalore, on working days during office hours from 11 A.M. to 5 P.M.

3. The tenders should be superscribed "tenders for the purchase of Electrical Demonstration materials due at 2 P.M. of the 17th November 1933" and should be accompanied with an earnest money of Rs. 100. The articles will be sold in the condition they are found in the Laboratory.

4. The earnest money should be sent separately by registered post and should be either in currency notes or cheques drawn on the Mysore Bank, Bangalore or the Imperial Bank of India, Bangalore.

5. The undersigned reserves to himself the right to refuse the highest or any tender wholly or in part without assigning any reasons therefor.

6. The deposit of the successful tenderer will be retained and he will be required to execute an agreement and furnish immediately a further deposit of one-fourth of the amount of the value of the materials offered to be sold.

7. Payment in full will have to be made for the materials removed from our Stores and the amount of the earnest money and the further deposit will be adjusted towards the close of the whole transaction.

8. Delivery will be in the Laboratory Stores.

9. Failure to comply with the above conditions will entail the forfeiture of the amounts deposited together with earnest money and materials will be resold at the risk of the tenderer who will have no claim to profit if any that might accrue in the resale, but will be liable to reimburse to this Department all losses entailed in the resale.

10. Arrangements will be made to refund the earnest money of the unsuccessful tenderer as soon after the tenders are opened and decided upon as possible.

List of Demonstration Materials borne on stock at the Electric Laboratory, Bangalore.

26	Tea kettle Electric. No. 20801, Volts. 220, Watts 400	1	
27	Do No. 214-K2. Volts. 220, Watts 400 ...	1	
28	Toaster Electric. Cat. No. 214-T5. Volts. 220. Watts 450.	3	
29	Toaster Electric. Cat No. 214-T5. Volts. 220 Watts 550.	1	
30	Toaster Hotel (16 slices) Cat. No. 316. Volts. 220 3 KW.	1	
31	Coffee Urn combination. Nos. 100 and 101. Volts. 220, Amps. 16.	2	
32	Washing machine galvanised, No. 107696. with A.C. Single phase 220 Volts. 60 cycle Motor.	2	

C. M. CARIAPA,
Chief Electrical Engineer

MYSORE DIVISION.

Notification, dated 19th October 1933.

It is hereby notified for general information that the Old Public Works Department Sub-Division Office Building at Hunsur, Mysore District, will be sold by public auction at Hunsur, on the 20th November 1933 (Monday) by the Executive Engineer, Mysore Division or his authorised agent. The description of the building to be auctioned and its area are noted below.

The conditions of sale are as follows.

(1) The auction will commence at 3 P.M., and if not concluded on the same day will be continued on the next day also.

(2) No person is allowed to bid unless he deposits with the officer conducting the sale a sum of Rs. 10 which must be deposited in the form of currency notes. The deposits of unsuccessful bidder will be returned immediately after the sale.

(3) The building will be knocked down to the highest bidder subject to the confirmation of the higher authorities who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor. The Executive Engineer has the discretion to suspend the sale if proper bid is not forthcoming.

(4) The successful bidder shall at the close of the sale credit into the Hunsur Taluk Treasury to 17 (a) Public Works Deposits the entire sale amount including the deposit already made. In default the deposit will be forfeited and the building resold. Such resale will be at the risk of the defaulting purchaser who will be liable to make good any loss that may result to Government by it, but will not participate in any profit occurring therefrom.

(5) If the sale is not confirmed the amount will be refunded.

(6) The successful bidder shall bear all charges on account of stamp paper and registration fees if he wants the sale deed to be executed and got it registered after the confirmation of the sale.

(7) Any further information can be had in the office of the Executive Engineer Mysore Division, the Sub-Divisional Officer, No. 2 Sub-Division.

Description of the building.

(1) Plinth area is 58½ × 39½ or 2301 S.ft.
